INCREASED RATE GIVEN FOR A YEAR

Council Grants Permission to Alexandria County Lighting Co.

EFFECTIVE JUNE 1

Proposition to Place City Alms House Under Supervision of Health Department and Committee on Poor

The Alexandria County Lighting Company was last night granted permission to increase its rates for a period of 1 year from June 1 by city council. This application was granted on a petition filed by the company some time ago. The company, however, did not designate any set time for the increase in rates to continue and at the meeting last night after the ordinance had been read Councilman Baggett offered an amendment that the new rate prevail for a period 1 year from June 1 and then revert back to the old rate unless otherwise ordered by council. It was pointed out that the cost of coal and labor may be considerably reduced within a period of one year, hence the section in fixing a year as the time limit. The company's revenue on the strength of the increase will be increased about $16,000 for the year it is stated.

Council adopted the ordinance as amended by a vote of 13 to 1, Councilman Sullivan voting against the increase and the aldermen adopted it by a vote of 7 to 1, Aldermen W. W. Ballenger voting against the increase.

George E. Warfield, president of the Alexandria County Lighting Company, was given the floor and made a statement regarding the company and the proposition to increase its rates. Mr. Warfield among other things said he had been president of the company since it had been under control of the present management and had never drawn a cent as salary for being president and neither did he own any of the company's stock or bonds and he never floated any of the company's securities. This company he said in 1906 got the franchise from the city because it offered to furnish current at a lower rate than any of the other bidders. He told council that the cost of material since then had increased anywhere from forty-seven to two hundred and seventy-five per cent, coal being the biggest item, this year the company paying an increase for coal of $27,000 more than last year. The coal bill since 1913 he said increased 279 per cent. Since the company took the franchise he declared it had not received a single cent in increase of rates and he said it did not require an expert to tell that it needed an increase. That the company did not ask for an increase before now he asserted was due largely to its efficient management. After reductions are made the company just now receives only about three per cent profit on its investment he told council. Mr. Warfield said he believed the rate to be equitable and would yield the company $16,000 annually. Another rate might be presented he said but he did not think it would be as fair or equitable as the one presented although it would yield the company approximately the same amount of revenue.

Attorney James R. Caton spoke as a citizen on the proposition. He said he had not had a nopportunity to investigate matter, adding he was not opposed to company getting fair return on their investment He suggested that council before passing the measure get some person qualified to investigate. There may be a reduction in coal and labor. he said. Mr. Caton said there will come a time when we will get bac kto normal or nearly normal and any contract should be guarded.

Corporation Attorney H. Noel Garner declared the solution was comparatively simple. Council he said ought to determine if the present rates are insufficient for a fair investment, and if not council ought to determine what would be a fair investment. All knew it requires more to do business now than ever before. He suggested that after a year or so the old rates prevail if conditions change. President Burke declared that it is always unpopular to increase the price of any thing. He said he could not believe that the rate of fourteen years ago would stand today. He said he did not believe Mr. Warfield or his associates would ask council to do anything unfair.

Attorney Leo P. Harlow in reply to a query from Mr. Burke explained certain provision of the ordiance relating to light heat ad power.

Councilman Fletcher said that on behalf of his constituents in the fourth ward he was opposed to an increase. He added he did not think the company was not entitled to an increase. The Lighting Company he asserted had done their part but council had not done its part. They gave council the privilege of investigating but council did not take advantage of the offer he said. He concluded by saying the could not vote for it in its present form.

The joint committee on poor and health recommended that the supervision of the city alms house be turned over to the supervision of the city health department and the committee on poor.

Councilman Baggett suggested that the present time was bad to make a change. If there was to be a change he suggested waiting till the end of the fiscal year.

Dr. J. J. Garvey ,deputy health officer, said he thought the health department could by good management reduce the operating expenses now costing the city $5,000 a year and make the institution self sustaining.

Councilman Fletcher said the health department gave no guarantee and Councilman Baggett suggested that the department submit formulated plans. The committee's report was lost by a vote of eight to five, it requiring nine votes for its passage.

The health department gave notice that the present clinic will go out of existance June 30 and suggested that the clinic be changed to a city dispensary for the treatment of the indigent of the city and that the office of bacteriologist and physician to the poor be consolidated at a total of cost of $2,400 a year. It was pointed out that the basteriologist now receives $2,000 a year and the physician to the poor $300 and that the increase in cost would only be $100 a year. It was referred to the health and finance committee.

The Old Dominion Boat Club asked for an appropriation of $250 to help entertain the members of the Southern Rowing Association at the regatta to be held here July 10 and it was referred to the finance committee.

Communication from state health department relative to the government discontinuing clinical work was referred to health and finance committee.

Other matters presented follow: Decided to print 500 copies of the new traffic laws and 250 copies of the merchants' license law; petition of Alexandria Lumber Company to erect gasoline tank at northeast corner of Alfred and Wilkes street; petition to open alley on Prince between Pitt and St. Asaph streets, referred to committee on streets; petition of C. F. Ford to erect frame dwelling at 308 South Lee street referred to committee on streets; resolution of Councilman Kaufmann that the city engineer obtain bids on cost of placing a fence on the south end of the country market was referred to committee on public property and finance; resolution appropriating $85 for spouting at city alms house. Referred to committee on finance and poor.

OPENING BALLOT BEGAN YESTERDAY

Gen. Leonard Wood Leads by Half Vote Over Lowden

ELEVEN CANDIDATES

Demonstrations Last Three Quarters of an Hour—Great Excitement in Coliseum.

At 2 o'clock this afternoon on the seventh ballot Wood was leading with Lowden a close second. The seventh ballot finished at that hour gave the leaders the following vote: Wood, 312; Lowden, 311 1-2; Harding, 105; Johnson, 99 1-2. Indications point to the selection of Lowden.

Coliseum, Chicago, June 12.—Names of 11 candidates had been presented to the Republican National Convention when the delegates began balloting last night. The candidates were:

Gen. Leonard Wood.
Frank O. Lowden, of Illinois.
Hiram Johnson, of California.
Calvin Coolidge, of Massachusetts.
J. C. Pritchard, of North Carolina.
Nicholas Murray Butler, of New York.
Herbert Hoover, of California.
Howard Sutherland, of West Virginia.
William C. Sproul, of Pennsylvania.
Miles Poindexter, of Washington.
Warren G. Harding, of Ohio.

The names had been offered in a flood of oratory that lasted from early morning. Demonstration followed demonstration.

Wood led by a plurality of 76 votes in the first ballot.

The General's vote was 287 1-2, as against 211 1-2 for Lowden, his nearest competitor, 133 1-2 for Johnson, who ran third, and 76 for Sproul, who held intact almost the whole of the big Pennsylvania delegation.

The remainder of the vote was widely scattered. Senator Harding polled 64 1-2 votes. The only other candidate who is entitled to major league standing as a result of this ballot is Nicholas Murray Butler, who held a large slice of the New York delegation and who is expected to hold it until the time comes for it to go into the balance for the organization candidate.

Poindexter, Coolidge, La Follette, Pritchard received complimentary votes. Hoover, being not State's favorite son, trailed at the foot of the list with only seven votes.

FLAG DAY

Monday, June 14, 1920

A proclamation by the Governor of Virginia.

Whereas, Monday, June 14, 1920, will be observed throughout the nation as Flag Day; and

Whereas, In this period of readjustment the ideals of American democracy of which the national colors are symbolic should be upper most in the minds of all our people; now

Therefore, I, Westmoreland Davis, Governor of Virginia, do designate Monday, June 14, 1920, as Flag Day, and I urge that it be observed throughout the Commonwealth with appropriate public exercises.

I especially request that Flag Day be obesrevd with suitable exercises which will inspire our children, who are to succeed to the responsibilities of citizenship, with the spirit of constructive public service for the preservation of those high national ideals which the flag represents.

Given under my hand and under the Lesser Seal of the Commonwealth this tenth day of June, in the year of our Lord one thousand nine hundred and twenty, and in the one hundred and forty-fourth year of the Commonwealth.

Westmoreland Davis,
Governor.

ENTERTAIN SENIORS

High School Class Feted on Lawn of Residence of Mrs. George R. Hill

The senior class of Alexandria High School was royally entertained with a lawn party at the home of Mrs. George R. Hill, 617 South Washington street, last night by the Ladies' Auxiliary of the Young Men's Christian Associaton.

The lawn was beautfully lighted by the courtesy of the Alexandria County Lighting Co., and there was a beautiful scene when the entire class and their invited guests were all lined up on the lawn for the first game at 9 o'clock.

Miss Cora L. Cochran, chairman of the social committee, of the auxiliary, was in charge of the affairs of the social event and was assisted by Mrs. George R. Hill, chairman of the reception committee, and Miss Corinne Reardon and Miss Eddie Dickert, in charge of the entertainment of the evening.

In the receiving line with Mrs. Hill were Mrs. Kate Smoot Tuccimei, Mrs. Richard E. Acton, Miss Cora L. Cochran, Mrs. Carroll Pierce, Mrs. A. S. Mankin, Mrs. Charles Nicholson, Mrs. Harry B. Caton, Miss Helen E. Knight and Mrs. Clarence Parker.

The party began with outdoor games following in quick sucession several dumb bell relays, "swat tag" "numbers change" etc., until the tired guests were bade "be seated on the grass" when delightful refreshments were served. The player piano in the house was the next attraction and when at a late hour the reception closed the class of '20 was unanimous in its expressions of delight.

The ladies' auxiliary is planning several social affairs for the summer and Mrs. Hill has generously offered her lawn or house for the events.

WELL STOCKED MARKET

There was a larger attendance of country people in market this morning than usual, and many buyers were also on hand. Produce, however, moved slowly, as the majority who had come to supply their larders were loth to pay the prices of most of the seasonable articles displayed.

Those who offered the produce seemed to suppose that conditions akin to those existing in the days of the late Southern Confederacy were still in evidence, and there was virtually no inclination on the part of holders to lower prices.

Strawberries, now about to make their adieu, were plentiful, but prices were firm at about old prices—20 and 25 cents per box. Black (or dew berries) were being held at 35 cents. Cherries which are now in season, sold at 35 cents. A few peaches were offered at 35 cents per quart.

An abundance of vegetables were on the benches, but prices for each variety were high, which shows the importance of householders cultivating their back yards this summer. Prices were as follows:

Beets, 15 cents per bunch; cabbage 10 cents per pound; green peas, 20 and 25 cents per quarter peck; onions 2 cents per bunch; tomatoes, 35 cents per pound; spinach, 20 cents per quarter peck; kale, 15 cents per quarter peck; radishes, 5 cents per bunch; lettuce, 5 and 8 cents per head; cucumbers, 10 cents each; string beans, 35 cents per quarter peck; sweet potatoes, 30 and 35 cents per quarter peck; new potatoes 40 cents per quarter peck.

Nears Goal

Announcement is made that the total contributions to date for the ambulance for the Alexandria Hospital amount to $2,460.59. Recent acknowledgments announced by Mrs. L. Wilbur Reid amount to $435.76. They follow: Mr. and Mrs. William B. Smoot, $100; Virgil Bain, $5; Dr. S. B. Moore $25; Miss Elizabeth Potts, $25; Avery Henderson, $1; Mrs. Annie S. Pierpoint, $1; Mt. Vernon Circle, King's Daughters, $10; Miss Theresa Thompson, Mt. Vernon King's Daughters, $20; Mrs. J. F. Carlin, $10; McKnight Baldwin, $10; William McKnight, $10; Mr. and Mrs. C. F. Hardin, $10; Mrs. Hugo Herfurth, $5; Allen Brothers, $5; Tag Day, $218.76.

The cost of ambulance will it is announced be $2,700. This, however, does not include delivery nor does it provide for the upkeep of the vehicle.

DANCE LAST NIGHT

The regatta committee of the Old Dominion Boat Club last night gave the third of the series of dances for the regatta fund.

Flag day exercises and installation of officers will be held Monday night by Alexandria Lodge No. 758, Benevolent and Protective Order of Elks.

Owing to lack of space of a number of baseball and other news stories submitted today had to be greatly curtailed and many entirely omitted including church notices.

The Alexandria Torpedo Station Baseball team will at 2:30 o'clock tomorrow afternoon meet the Washington Athletics on the Virginia Shipbuilding diamond. James Blanton is manager of the visiting team.

Mrs. W. M. Reardon and daughter, Miss Catherine Reardon have returned to their home in this city from Reiterstown, Md., where the latter has been attending school at Hannah More Academy.

R. D. Wolfe, auctioneer, at noon today sold at public auction in front of the city hall seven lots in Braddock for J. K. M. Norton and R. B. Washington, commissioners of sale, and three were purchased by Taylor Burke, two by Robert Elliott and two by J. Randall Caton.

The June term of the corporation court for this city Judge Robinson Moncure presiding, will convene Monday morning at 10 o'clock when the docket will be called and cases set for trial. Judge Moncure requests all attorneys to be present at the opening of his first regular term. The hours for holding court has been changed from 11 until 10 o'clock.

Government Convoy To Pass Through Alexandria Monday, On Way To Pacific Coast. Reception To Be Held When Big Convoy Reaches This City

Headed by the military band from Camp A. A. Humphreys, and accompanied by a delegation of the most progressive business men and merchants of the city, a reception will be held next Monday for the big convoy of United States army trucks that is slated to pass through this city, shortly before noon and which will mark the start of a tour of the United States from coast to coast over the Bankhead All Weather highway.

The convoy is slated to leave Washington, D. C., starting from the Ellipse, which is the zero mile post of all national highways, about 10 o'clock Monday morning.

The word to start the trip will probably be given by Secretary of War Newton D. Baker. The convoy will reach this city shortly before noon, and will be met by a reception committee, from this city, and will be conducted in style through the city. The convoy will turn into Alfred street at the corner of King and will then be conducted to Camp Humphreys where a celebration has been arranged in honor of Flag Day.

The convoy will continue south to Fredericksburg where a big celebration is being planned and where it will remain overnight. From there it will go to Richmond, Virginia and then south to Raleigh, N. C., where another big celebration is being planned. It will follow the route of the Bankhead highway, the officials accompanying the convoy going for the purpose of inspecting the highway. It will also be in the nature of "Ship-By-Truck" movement, which, has been gaining considerable prestige throughout the country and will tend to show people along the route what can be done by trucking.

When the convoy reaches this city, trucks will be in readiness from Camp Humphreys to carry all interested person to the camp, an interesting program of athletic sports has been arranged and where all persons visiting the camp will be served with refreshments by the authorities in charge of the cantonment. A band concert will be given in the camp amphitheatre and a short address will be made by a distinguished speaker. Athletic contests and a baseball game will furnish a further attraction.

Tentative arrangements are also under way to further the hauling of produce from neighboring farm communities for sale about the streets of Alexandria and it is expected that the big convoy on Monday will boost this work as nothing else could.

The "Ship-By-Truck" convoy, is to be under the auspices of the Bankhead Highway Association and will be managed by the War Department of the United States government. Director General J. A. Roundtree, of the Highway Association, is working with official of the government in perfecting the details of the trip, which is expected to arouse considerable interest all along the way.

The convoy will be composed of about 50 big trucks, and in the neighborhood of 20 of the officials of the War Department will accompany it. They expect to land at San Diego, California, not later than September 16, unless unforseen accidents hold back the outfit.

The Motor Transport Corps will send 76 men and 2 officers: the Service Park Unit will be composed of 1 officer and 35 men; the Headquarters Motor Command, 7 officers and 20 men; the medical unit, 2 officers and 10 men; the engineer outfit, 1 officer and 10 men. The convoy will carry with it an entire kitchen outfit, as the men will camp along the way. They will also have one ambulance for use in emergencies.

The convoy will be in command of Colonel John J. Franklin, Jr., and entire charge of the men and trucks will be given over to this officer on the trip.

ANOTHER WARNING

Newspapers in all sections of the country have recently told of the fatal results of drinking dangerous potions at present sold as stimulants. In some cases while the victims have escaped death they have been rendered blind, while others are suffering from paralysis.

Notwithstanding such warnings men heretofore addicted to drink are still tempting providence by partaking of wood alcohol, hair tonics and other liquids, regardless of the result. During the past week or ten days several persons arrested for being drunk in this city were relieved of bottles of wood alcohol after having been taken to the station house. Not long ago a young man who had been picked up while in an intoxicated condition was found to be carrying a bottle of hair tonic. Lemon extract is another preparation used as a substitute for whisky. This can be procured at any grocery store.

About a week ago a young Alexandrian, who is prone to go on sprees, was arrested for being drunk in the street. He was fined five dollars, but upon the day the fine was paid by one of his friends he was rearrested on the same day for being drunk near the station house. It was determined to hold him for five days, or until the effects of his debauch had reached a safe stage, but last night a physician appeared at the station house and upon examining the prisoner declared it would be unwise to keep him in the station house as his condition was critical from the effects of the potions he had been drinking. The physician suggested he be sent to the Alexandria Hospital immediatelyly for treatment. This was done. Early this morning a report was circulated that the man had died during the night. This, however, was erroneous, but he still in an uncertain state, and his death may follow

Wood alcohol is labeled "Poison" but it can be procured by those desiring it. It is hoped this article will be read by all for whom it is intended, especially by the young and thoughtless, who are ready to drink anything during the present arid season.

LUST FOR SOFT JOBS

"The trouble with this country and with many of the countries of Europe is that people shirk hard work," said Miss Helen Baker to the graduating class of the Stuart Circle Hospital, Richmond, in the principal address delivered to them this week.

"The people are leaving the farms to go to the cities where they can get a soft, and what they think, a snappy job. The lust of the American people for the soft job is becoming a menace to the well being of the country, and unless people are trained to do hard work we will be found in the same condition that is prevalent in certain European countries."

"Those in the higher professions are not exempt from the soft job seeking. Many of the professional men are looking for a place where there is no work. I want to admonish you, nurses," she said, turning to the class "to shirk nothing that is upright and honorable. You are famous for hard work and that means that you are doing now what will have to be done in order to save this country from the menace of Europe."

SUMMER HERE AT LAST

Alexandria yesterday had its first real summer day, which wound up in true summer style with a thunder storm and a shower.

It is said that hail fell near Fort Myer and in certain places in Washington.

Yesterday will go down in Weather Bureau history as one of the few real hot June days. Only five times in the last 50 years has the temperature gone above 90 degrees on June 11. On June 11, 1911, it reached 99 degrees and on June 30, 1901, it attained the same mark.

The temperature began to rise at teh rate of from 3 to 5 degrees an hour at 5 o'clock in the morning, when it stood at 67 degrees. By 2 o'clock it was 94 degrees and was still rising. It finally reached the 96 mark a short while before the electric storm broke.

The general weather forecast calls for continued warm weather today and tomorrow.

"THE MIRACLE MAN" FINE

A most absorbing story is unfolded in George Loane Tucker's new Paramount Artcraft picture, "The Miracle Man," which was the attraction at the Richmond Theatre last night. This picture, which was adapted from George M. Cohan's striking Broadway success of the same name is declared to be one of the really great screen dramas of modern times. The original story was written by Frank L. Packard.

The plot of "The Miracle Man" deals with the moral transformation of a gang of New York crooks under the beneficient influence of a deaf and blind patriarch, who is a healer of proven powers. Coming to him originally with the idea of making money out of his gift, these four products of the metropolis' slums are made miraculously to realize their better selves. Thomas Meighan, Elinor Fair, Betty Compson, and other screen players of unusual ability, interpret the fascinating story in a manner that leaves nothing to be desired. It will be presented again tonight.

DYNAMITE

The man who sits on a box of dynamite smoking a pipe is invariably the man who has handled dynamite safely for so many years that he is callous to the danger.

Many a man has suffered for years from a chronic weakness of the Stomach, Liver or Kidneys and he doesn't think they are dangerous because he has put up with them so long. Chiropractic locates the cause of disease as pressure on spinal nerves at their exit between joints of the Backbone, Adjusting removes the pressure and the cause of disease, Health follows as a matter of course.

VALUABLE AND DESIRABLE RESIDENCE PROPERTY FOR SALE POSSESSION GIVEN PROMPTLY.

By virtue of a decree of the Circuit Court of the City of Alexandria, Virginia, rendered on the 14th day of April, 1920, the undersigned Special Commissioner of Sale, under said decree, will offer for sale at public auction at 12 o'clock A. M., on the 26th day of June, 1920, in front of the Royal Street entrance to the market building, the following real estate with the dwelling house and other improvements situated in the City of Alexandria, Virginia, and described as follows, to-wit:

Beginning for the first lot, on the west side of Pitt St., between Duke and Wolfe streets, and at the south line of a twenty (20) foot alley, being one hundred and fifteen (115) feet south of Duke Street and running southerly with Pitt Street sixty-one and one-half (61 1-2) feet; thence west, parallel with Duke street, to the middle of the square believed to be one hundred and twenty three (123) feet five (5) inches west of Pitt Street; thence north, parallel with Pitt Street, to said alley; and thence easterly with the said alley to the beginning, together with the right of way over the said alley.

Beginning for the second lot, on the west side of Pitt Street one hundred and fifty-six (156) feet north of the intersection of Pitt and Wolfe Streets, and running thence north on Pitt Street twenty (20) feet to the line of the lot of ground above described; thence west, parallel with Wolfe Street 100 feet to a ten foot alley; thence south, along said alley and parallel with Pitt Street, twenty (20) feet; and thence east one hundred (100) feet in a straight line to the beginning, together with a right of way over said alley, and all rights and appurtenances.

Beginning for the third lot, at a point one hundred (100) feet west of Pitt Street and one hundred and seventy-six (176) feet, more or less, north of Wolfe Street, said point being the northwest corner of the lot first above described, and running thence west, parallel with Wolfe Street ten (10) feet, more or less; thence east, parallel with Wolfe street, ten (10) feet, more or less; and thence north parallel with Pitt Street, twenty (20) feet, to the point of beginning.

Terms of sale, 1-3 of the purchase money in cash on the day of sale, and the residue in two equal annual installments, bearing interest at the rate of 6 per cent per annum payable semi-annually from date until paid. The deferred installments to be evidenced by the notes of the purchaser or purchasers, and to bear interest as aforesaid and made payable at one and two years after the date of sale, and to be secured by the retention of the title until the full payment of the purchase price and interest thereof. The successful bidder will be required to make a deposit of $100 when the property is struck off.

JAMES R. CATON, Jr.
Special Commissioner.

I, Nevell S. Greenaway, Clerk of the Circuit Court of the City of Alexandria, Virginia, do certify that James R. Caton, jr., special commissioner, as above mentioned, has executed bond before me in the penalty of $3500.00 with approved surety conditioned as required by the above mentioned decree.

Conserve Your Energy With Electricity

Electricity is fast coming into prominence the country over as the greatest and most economical of all labor-savers. It conserves health, strength and energy and on hot summer days, does away with the usual unbearable heat of the kitchen. Your work is done in half the time necessary with the old time utensils and is done better than was possible a few years ago. Let us demonstrate to you.

Hot weather is fan time and although the hot days have been few so far this year, they are bound to come and probably hotter than usual. Place your order with us for a G. E., Robbins and Myers or Westinghouse fan today and be sure of delivery when fan time finally arrives. We carry the most complete stock of these three famous makes to be found in the city.

IRON ELECTRICALLY

Do your ironing quickly, easily and make the follow-up of wash-day a day of pleasure instead of dread.

BEAUTIFY YOUR HOME FOR SUMMER

Install in your living room a beautiful reading lamp-one of the most comfortable of household necessities.

Resolve to make your home the "Home Beautiful" this summer-when the doors and windows will be left open. Be proud of your home—ask us to help you in your selection of appliances that will prove a joy for a lifetime. We are headquarters for electrical appliances of all kinds.

Are You A Slave to Housework?

Are you manacled to drudgery—sentenced to hard housework labor; to be oppressed by summer heat; submitting yourself to the arduous duties of housework like women still living in the dark ages of servility?

In the pioneer days both men and women faced their duties with Spartan-like perseverance because there was no alternative, but in those days both men and women were constitutionally fortified to endure the hardships and heavy work.

Progress and invention has recognized the demand for labor-saving devices and conveniences because men of today are attuned to efficiency and time-saving and women are nurtured for ease, comfort, for happiness, for efficiency in the conduct of home work.

Wise women will adopt these 20th Century methods of dispatching household work. Considerate husbands will insist upon it. Make the household work easy, practical, sanitarily and healthfully effective and comfortable.

Below are some seasonable suggestions:

Put The Ease in Efficiency With A Crystal Washer

That is exactly what this wonderful washing and wringing machine will do for any household. Do away with the terrors of wash day during the hot summer weather, making this day one of the most pleasant work days of the entire week.

Clean Your House Through and Through

THE ROYAL ELECTRIC CLEANER cleans by air-alone. The powerful cleansing air stream of the Royal gets ALL the dirt—not merely the lint, threads, hair and surface litter, but the dirt embedded in the rugs, clinging to draperies and upholstery, hidden in out-of-the-way nooks and corners difficult to reach in ordinary ways.

The ROYAL cleans THROUGH and THROUGH. It leaves every room in the house sweet, clean and germ free. It cleans by air—ALONE. It freshens and purifies with nature's own great cleanser, air— promoting the health and happiness of the entire household.

The ROYAL weighs only 11 pounds—a child can easily carry it up or down stairs. It works quickly, easily and efficiently—relieving the housewife of the usual house cleaning drudgery and giving her more leisure.

How to Dodge Tire Trouble

THE first requisite, naturally, is to get a tire with "back-bone" enough in it to successfully withstand hard service. But even a high-grade tire in the wrong place may not give you all the mileage you should get from it. There are motorists using regular size tires where conditions of load really call for an oversize.

It's part of our service to make suggestions to help you get all the mileage you have a right to expect from your tires. Anything you want in the way of tires, tire service as accessories—any time you want it.

STAR HAND MADE EXTRA PLY TIRES

Fabric tires with an extra strong "backbone," an extra ply of fabric adding over 20% more strength to withstand load, strain and shock.

Proving Essex Reliability

A Fact Not to be Disregarded

One cannot ignore the Essex performance of 3037 miles in 50 hours when considering light car endurance.

In fact no car ever was driven at top speed for such a distance or for so long a period of time.

But if any doubt remained after that official proof made with a stock Essex, the 40,000 cars in service each shows the degree of Essex reliability.

Thousands of Essex cars show in excess of 25,000 miles service each.

And owners by their testimony are daily establishing the Essex not only as the most amazing light car from the standpoint of performance, but also as the equal of the costly large cars in the question of endurance and freedom from mechanical attention and expense.
